#### A TUNING CLUB FOR AMARILLO

Beginning now I will tune your piano twice each year for the price of a single tuning.

A piano allowed to remain out of tune for awhile never regains its original tone quality. This service will guarantee its protection.

You can not afford to allow it to go without attention at such a small cost. Phone any teacher in Amarillo as to my ability as a tuner. My home is with you and has been for the past two and one-half years, and am here to make good any promise made. Phone your order to
